PRESIDENT'S REPORT

MAILBOX PROGRAM

We are sure you have noticed the significant improvement in mailbox appearance through out Woodridge this year. Joe Waddell has taken over this program and has done a yeoman's job! He has replaced several units, repainted and straightened several more, delt with a continuing vandalism problem and even added his own personal touch by making and installing all those decorative supports under the paper boxes. **What a guy and we are very proud of him.**

WOODRIDGE DIRECTORY:

If you haven't gotten your directory changes in, please do so now using the attached form. Also, if you would like to put an ad in this two year directory that will run from 2011 to 2013, please also fill out the attached form and give to Wendy or myself. The plan is to complete this directory by year-end, print and distribute by February, 2011

ANNUAL MEETING IN JANUARY:

The Woodridge annual meeting will be held on **Monday, January 24th at 7:00pm at the Westside Library** located on Oak Grove Road. All residents of Woodridge are invited!

Accomplishments for the past year, status of the financials, plans for 2011 and beyond will be presented.

Also, new board members will be elected. The candidacy of Mike Schubert from 536 Verdae Drive will be presented at that meeting for your approval. Outgoing Mark Thompson who has served for the past three years will leave another opening so if you have an interest or know someone who might, please call me.

YEAR-END LANDSCAPE PROJECTS:

Several landscaping projects are currently underway to improve the appearance of Woodridge including the Dunwoody entrance off Caldwell Drive, the Willis Road entrance and several Cul-de-sacs through out. Some of this work will most likely run into next year. **Stan Parker continues to do an amazing job coming up with the ideas and doing what we on the board recognize as truly a "labor of love"! What a guy!**

See you at the year-end Christmas Party!
